Dear Golfer:

You are invited to participate in MFASC's 12th Annual "Larry Foss Memorial" Golf Tournament. The Tournament is being held at the Malibu Country Club on Monday, June 7, 2004. This event is strictly a fun day in the sun for members and suppliers. Join us and combine a little business with pleasure in a relaxing and beautiful setting.

Shotgun start time will be 12:00 p.m. After you have finished playing we will have plenty of food and an awards banquet.

We will only accept the first 144 players who sign up to play. Last year we had to turn people away, assure your spot, register today.

We are looking forward to your participation this year.

Sincerely,

Bill Searight Chairman	Daniel A. Cunningham Executive Director
---------------------------	--

MFASC is using a "SCRAMBLE" format. Scrambles are probably the most fun for people to play because you only play the good shots. The format will be as follows:

1. Four-person teams are put together.
2. All players drive from the tee and select the best shot.
3. All players then play the next shot from the position of the selected ball, placing (or dropping) their ball within an agreed-upon distance (i.e. one club length) from that spot and in the same type of lie.
4. The same procedure is used on all shots, including putts.
5. At least three drives must be used from each team member to equalize the computation.
6. In case of a tie the lowest team scores on the low handicap holes will be use.

Trophies awarded for the best team score, longest drive, and closest to the pin. There will be prizes, a drawing, great food and awards.
